## **Request Tracker**

The Pedestrian Advisory Committee is going to pilot the use of Request Tracker beginning Feb 24, 2016. The committee is focusing on winter safety issues for the pilot. Currently there are forms to report issues regarding the following: snow on walks, ice on walks, flooded or obstructed crosswalks, sidewalk trip hazards, problems with crosswalks, and obstructions to sidewalks. After three months of testing, we'll revisit to see what steps are next. The hope is that later in 2016 Request Tracker will be available on the city website so residents can contact the city for a variety of issues.

Meeting adjourned at 6:30.

**Next meeting: Tuesday, March 22nd, 2016 5:15-6:30**

**Police Department Community Room**
