

City of Montpelier
Parking Advisory Committee
Meeting Minutes
October 15, 2014

Nolan Langweil
Brian Cain
Tawnya Kristen
Kevin Casey
Michael Clasen
Todd Law

Meeting called to order at 305

BC: motion to accept minutes, passed by all

City Council Update:

Nolan updated the committee on council meeting. The council did not reconsider the parking plan. Michael informed the committee that once the street is widened the issue can be revisited if council changes their mind. After widening it's really more a matter of paint.

Brian suggests more perimeter parking out of town. And he will provide and evaluation for coaches and suggestions for next year, including wording on signage.

Richard suggested space under the interstate. Past cemetery curve.

Smart Meters November 1 assuming all setup is complete

Winter parking ban pilot, Michael and Kevin to meet on parking ban . Notification system and how we notify people will be important.

November 12 meeting of council will address committee.

Parking Map better for the website

Todd Law to address on winter parking ban and notification issues:

Should we have a registration ?

Todd: PD will use current notification parking Resources we have blackboard connect. We will go vt alerts which will include cell phones .

When do you see people "registering"?

Todd: Stonecutters was used and it was successful .

Michael and Kevin will have something for council by the 28th or 12.

"Kevin update on benefits of site"

Michael : Richard would like Connor parking leases on next agenda

Richard: fundamental question of aesthetics v. Function v revenue invite Mayor to next meeting

Nolan: invite for specific topic

Next meeting : Wednesday, November 12 at 3:00-4:30 pm
