7:05 p.m.

Public appearances

This is an opportunity for members of the public to address the Commission on any matter not on the agenda.

Next All Board Meeting

We may be able to use the parking issue or the development at the Triangle as a particular topic around which to discuss. What is the role of each group and what are the next steps?

7:45 p.m.

Act 200

The limited discussion between the state and city (either City Council or Planning Commission) regarding the possible construction of a building at the Triangle runs counter to the intent of Act 200. We can discuss the law and consider any particular action including an item on City Council's agenda.
