Honorable Mary Hooper
City Hall
39 Main Street
Montpelier, VT 05602

Dear Mayor Hooper,

In my capacity of Executive Director of the Green Mountain Transit Agency (GMTA), I am writing to express GMTA's support for the Montpelier Multimodal Transit and Welcome Center.

This project will provide a much needed facility for our public transportation operations and indoor amenities for our passengers. This facility will have an indoor waiting area for our passengers and public bathroom facilities, both necessary elements for a successful multimodal public transportation facility. GMTA intends to use this facility as the hub for our transfer operations for several of our public transportation routes.

GMTA looks forward to working with the City of Montpelier as this project moves forward to improve the public transportation services for the public.

Sincerely,

Chris Cole
Executive Director, GMTA
