

Montpelier Parks
Group Events Form
 For groups numbering over 50

The goal is to guide appropriate uses in the Parks where use has grown dramatically. The Parks commission seeks to minimize impacts and encourage use that fits within the Parks mission of protection and enjoyment of wild and natural places. The park commission will review the information at its monthly meeting and notify the group. Six weeks notice of interest is the minimum for this review process, eight recommended.

How many will attend ____ **Circle One** : Old Shelter/New Shelter **Date** _____
