Committee Norms/Guidelines, as adopted 11/20/18

- Stay on topic
- Share the air - be clear and concise, step up/step back
- Separate the person from the issue, opinion, or mistake
- Prioritize clarity and understanding of the complexity of the issues before us over speed - when necessary (and possible), slow down conversations and decisions
- Speak from your own perspective and be clear that this is what you are doing
- Assume good intent, but hold others and ourselves accountable for what we say.
- Listen fully before you respond, especially when challenged
- Really listen to others in order to empathize
- Approach conversations with an open mind
