Public Health and Safety

Coronavirus (COVID-19): Weekly Report: As of February 5, 2021

Remember that even with the rollout of vaccines to more Vermonters, we have not escaped the impact of COVID-19. There are still thousands of cases in Vermont, and we all still have a moral obligation to stay safe, follow the guidelines, and try to reduce those who get sick in our communities.

Overall State Updates:

- [The Governor has made it mandatory to wear a mask in public starting August 1st](#), and has extended the [State of Emergency through February 15th](#).
- [Make sure to remember the new guidelines that prohibit: Multi-household gatherings, whether inside or out, in public spaces or private.](#)
- Vaccine Updates
 - **COVID-19 vaccine registration for people 75 and older began January 25th.**
 - **Montpelier has one distribution site: Kinney Drugs at 69 Main Street**
 - If you are currently 75 and older, you can sign up for a vaccine online or by phone- information here: www.Healthvermont.gov/myvaccine
 - The number to call is: **855-722-7878**
 - Info Needed when registering:
 - Name/Birthday/Address/Phone Number/Email

- And answers to a brief questions about your health and your insurance information (insurance information is optional)
 - **Appointments are needed, no walk-ins will be accepted.**
- Regional Health Update & VT Case Modeling Response Updates:
 - Cases and Outbreak information can be found on the [VT Health Department dashboard](#).
 - Vermont Modeling Updates [most recent presentation can be found here](#).
- Business/Economic Updates:
 - The Vermont District Office of the Small Business Administration now has [two Paycheck Protection Program weekly webinars](#). The PPP First and Second Draw webinar is held on Wednesdays at 9:00am and covers options, terms, eligibility, and the application process. The weekly PPP Forgiveness webinar is on Tuesdays at 11:30am and offers an in depth look at the forgiveness process.
 - The Small Business Administration has begun rolling out the [Targeted Economic Injury Disaster Loan Advance](#), which provides businesses located in low-income communities with additional funds. Applicants do not need to take any action at this time. The SBA will reach out to those who qualify. An [FAQ document](#) has been posted with additional information.
 - The [Stimulus Equity Fund](#) is Vermont's COVID-19 relief fund for those who were excluded from the federal stimulus due to their immigration status. [Applications are now being accepted](#) through March 1st. If you were ineligible to receive a 2020 federal coronavirus stimulus payment due to your immigration status, you may be eligible for relief from this program.
- Mental Health Support & Food Access
 - The State shared some resources to assist folks in seeking help for any mental distress, or in need of mental health care. Resources can be accessed through calling 2-1-1 or via the [State's website for COVID-19 support](#).
 - If you need help accessing food, there are also many resources on the State and Local level. Please call 2-1-1 or access [WIC](#), [Hunger Free Vermont](#), [3SquaresVT](#), or other resources outlined via Hunger Free Vermont [COVID-19 response](#).
 - There are also local agencies hosting food access programs such as: the [Vermont Foodbank](#), [Everyone Eats](#), and the [Montpelier Food Pantry](#).
- VTAlert:
 - VTAlert is now offering COVID-19 updates. Folks can sign up at the [VTAlert website](#).

City Updates:

No updates: the City continues compliance with State requirements by closing City Hall to the public until further guidance is issued by the State. Appointments can still be accommodated with Departments on a case-by-case basis.

Testing Availability:

- **Testing dates/locations and preregistration found here or call 2-1-1 for registration assistance:** <https://www.healthvermont.gov/covid-19/testing/where-get-tested>
 - **Upcoming Montpelier Testing Dates:**
 - [02/11 Montpelier 3:00 pm - 6:00 pm 134 State St., parking lot](#)

Sustainable Infrastructure

Montpelier, Vermont, Partners with ParkMobile to Offer Contactless Parking Payments

Residents and visitors can now easily pay for parking from their mobile device. [ParkMobile](#), the #1 parking app in the U.S., announced today a new partnership with Montpelier, Vermont, enabling residents and visitors to pay for parking on their mobile device. The ParkMobile app is now available at more than 600 on and off-street spaces throughout the city. With the recent COVID-19 crisis, municipal leaders across the country are encouraging residents and visitors to use the app instead of the meter to prevent the spread of the virus.

“Montpelier is very pleased to offer more parking payment options for our residents and visitors,” says Montpelier City Manager, William Fraser. “By partnering with ParkMobile, we can offer a safe contactless solution that will allow people to easily pay without touching the physical parking equipment.”

“We’re thrilled to launch the ParkMobile app in Montpelier,” says Jon Ziglar, CEO of ParkMobile. “We have a large base of users in the local area who can now pay by app whenever they visit the city.”

ParkMobile has over 21 million users and is available for both [iPhone](#) and [Android](#) devices. To pay for parking with the ParkMobile app, a user enters the zone number posted on the stickers and signs around the meters. The user then selects the amount of time needed and touches the “Start Parking” button to begin the session. The user can then extend the time of the parking session right from the app without having to go back to the meter.

ParkMobile has over 1.2 million users in the New England area and is widely available in cities like Burlington, VT, Greenwich, CT, Portsmouth, NH, and Amherst, MA. Beyond New England, the app can be used to pay for parking in over 450 cities across the U.S., including New York City, Washington, D.C., Pittsburgh, Minneapolis, Philadelphia, and Miami Beach.

About ParkMobile: ParkMobile, LLC is the leading provider of smart parking and mobility solutions in North America, using a contactless approach to help millions of people easily find, reserve, and pay for parking on their mobile devices. The company’s technology is used in thousands of locations across the country, including 8 of the top 10 cities as well as college campuses, airports, and stadiums. People can use ParkMobile solutions to quickly pay for on-street and off-street parking without having to use a meter or kiosk. Additionally, ParkMobile offers parking reservations at stadium venues for concerts and sporting events. Reservations are also available in metro area garages, allowing people to drive into the city without having to worry about finding parking. ParkMobile has been named to the Inc. 5000, Deloitte Fast 500, Smart Cities Connect “Smart 50,” and the Atlanta Journal Constitution’s Top Workplaces. Additionally, the

company won the 2020 Stevie Awards for Achievement in Product Innovation and the 2019 Stevie Awards for Most Innovative Tech Company and Best Travel App. For more information, visit ParkMobile.io or [@ParkMobile](https://twitter.com/ParkMobile) on Twitter.

WATER/SEWER DIVISION:

Department of Public Works Water/Sewer Division worked hand in hand with our Street Division on winter operations. Our crew repaired a water main break on First Avenue in which water had to be turned off for approximately 6 hours. A boil water notice for all residents on First Avenue was in effect and has since been lifted.

STREETS DIVISION:

The DPW Streets Division focused on plowing, sanding/salting as a result of the storm that came through Montpelier this past week. Our crew also continued hanging ParkMobile signs throughout the city in preparation for ParkMobile operations to begin.

Weather predictions expect Montpelier to receive more snow on Friday into the Evening and, also on Sunday. Our Street Division is ready to maintain city streets and sidewalks. Our crew will be made up of 8 employees - 5 truck drivers and 3 side walk plow operators.

TRAFFIC LIGHTS:

DPW's contractor has repaired the pedestrian light at Pioneer Street and Granite Street.

TRASH RECEPTACLES:

As a resident of Montpelier, are you wondering about the best area to place a trash receptacle for trash pickup?

Please, always, place trash receptacles for pick up at the corner of the driveway, behind the sidewalk. If you do not have a sidewalk on your street, please place receptacles on the corner of the drive, in the street closest to the curb. (Not obstructing traffic).

Please do not place receptacles within the sidewalk.

Questions? Please contact Jasmine Benson with DPW at 802-223-9508.

Responsive and Responsible Government

New City Council Strategic Plan Public Portal!

Have you ever wondered how to check what the City was working on? You can now! The City has developed a public portal where you can check quarterly updates on where City Departments are in their work to accomplish the City Council's Strategic Plan. Updates can be found here: [City of Montpelier Strategic Plan Dashboard](#) the portal will also be linked on the Montpelier City website through this button on the homepage:

We'll be updating this site quarterly, so you can see our recent steps towards goals and actions relating to Community Prosperity, our COVID-19 Response, Responsive and Responsible Government, More Housing, Environmental Stewardship, and Sustainable Infrastructure.

The City Council's 2020-2021 Strategic Plan allows the City to prioritize new projects and initiatives that serve to further Council's vision for the City. The 2020-2021 Strategic Plan was born from a collaborative process between both the City Council and City staff, and provides the City a guiding vision that helps move our employees, residents, and community towards the overall goals and vision.

The City of Montpelier will continue to strive to be the best that it can, and having a strategy to get there is our first step in achieving that vision. Our 2020-2021 Strategic Plan also allows the City to build transparency about its goals, and allows us to report our progress about how well we accomplished our goals to the public.

If you'd like to see the full City Departmental Strategic Plans (not just the top-6 priorities) see the following link: [\[Full Departmental Strategic Plan\]](#).

Zoning amendments forwarded to Council for consideration. On January 11, the Planning Commission voted to send another set of zoning changes to the City Council for consideration. This most recent set of changes will address three topics:

1. Sabin's Pasture: There were two changes requested to help facilitate development in the Sabins pasture area. First were changes to how traffic is regulated in the zoning. These changes fix inconsistencies in the bylaws between two sections (3303 and 3504), eliminates the level of service as a guideline for determining "undue adverse effect", and eliminates the requirement that a New Neighborhood Planned Unit Development must be used in the Riverfront district.
2. Housing changes: Due to changes in state law in 2020, amendments needed to be made to the zoning. Those requirements included how we regulate small non-conforming parcels, make changes to the use table (figure 2-15) so that some conditional uses will now be permitted uses, and also make some changes to accessory dwelling units. There is also a second set of housing related changes to address some outstanding issues and internal inconsistencies. These are relatively minor and mostly address how we group housing uses (into dwelling units and congregate living) and the related changes associated with that fix.
3. Finally we have miscellaneous changes that have been found while using the bylaws: these including items like fixing very minor changes on the riparian buffers on the Natural Resources map, fixing an error in the lines that were made during the last Design Review Boundary amendments, adding some rules on how to address requests for reasonable accommodations for ADA, and a number of minor technical fixes.

A complete strike out copy can be found at the following link which includes a full zoning as well as an abbreviated version (showing only where changes are being made): <https://www.montpelier-vt.org/1112/2020-Zoning-Regulations-Updates>

The City Council will hold hearings on February 10th and 24th to discuss, take public testimony, and make any revisions. If anyone has questions or comments they can send them directly to their councilor or to Mike Miller, Planning Director at mmiller@montpelier-vt.org.

Shared Committee Documents:

It has come to the attention of the City Manager's Office that some City Committees and Boards may be using technology such as 'Google Docs' and other external document repository sites to host and edit shared documents. This can be considered best practice in some lines of work, as it helps streamline work and cuts back on deliberation on documents in meetings. However, as City Committee's and Boards are public meetings, and are extensions of City Government, they need to keep in mind Vermont's Open Meeting Laws. There are very limited exceptions as to when something like Google Docs can be used, and most of the time its use is a violation of the Open Meeting Law.

The Vermont League of Cities and Towns wrote the following, to aid in clarifying appropriate use:

- **Can municipal public bodies use social media and programs such as Google Docs without violating the Open Meeting Law?**

- Yes, but only for limited purposes. Vermont’s Open Meeting Law permits municipal public bodies to communicate electronically outside the context of a duly warned open meeting for the purpose of scheduling a meeting, creating an agenda, and distributing information to be discussed at a meeting. While other electronic communications – through platforms such as Google Docs, Facebook, Front Porch Forum, or texting are not explicitly addressed in the Open Meeting Law, they are likely prohibited if the communications are between a quorum (majority) of the members of the public body and the subject of discussion is a matter that is within the authority of that public body.
- Vermont law does not explicitly state that the use of social media or software such as Google Docs violates the Open Meeting Law. Nor, on the other hand, does it carve out an explicit exception for these uses. However, the law is clear that participation at a meeting by electronic means is the legal equivalent to physical participation. As such, members of a public body must assume that electronic communication will be treated the same as in-person communication; therefore, electronic communication between a quorum of members will only be legal if it occurs in the context of a duly warned open meeting.
- Note: *The Open Meeting Law does allow members of a public body to attend and participate in a meeting electronically or by other means without being physically present, so long as certain requirements are met.*

In response, the City Manager’s Office is proposing changes to the City Committee & Board Member Policy to outline the need to not use external document hosting and editing sites. Since City Committees and Boards are under the City Council’s purview and management, the policy needs to be adopted by Council. This will be on the February 10th agenda

Inclusive, Equitable and Engaged Community

Montpelier City Hall Receives Outdoor Wi-Fi Hotspot **NEW**

The City of Montpelier, through the Department of Public Service (PSD) Wi-Fi Hot Spot Program has installed new public Wi-Fi outside the City Hall Building (39 Main Street Montpelier). This PSD sponsored project is in response to the widespread closure of facilities due to the COVID-19 outbreak, which has significantly limited folks’ ability to access free and reliable internet. The need for access to a reliable internet connections for healthcare, education, and government services has grown exponentially while existing public access points have become suddenly unavailable due to social distancing requirements. Vermont PSD has assisted the City in addressing this emergency gap in available public Wi-Fi by contracting for the rapid installation of a commercial-grade outdoor Wireless Access Point. They have installed 190 hotspots throughout the State as part of this program. Montpelier is pleased to have been included.

The City Hall Wi-Fi site is accessible at all hours from a parked vehicle on the road or in-person in the courtyard in front of City Hall and the parking lot to the immediate right of the building. As a COVID-19 safety precaution, the City discourages users from congregating outside. The Wi-Fi name is “**Montpelier Hotspot**” and you should be able to connect without a password.

You can track all the State Vermont Public Wi-Fi sites here: [Wi-Fi Hotspot Map](#)

Local Hazard Mitigation Plan (LHMP)! Needs your help! NEW

The City of Montpelier is looking for help identifying local safety hazards to assist in editing the Local Hazard Mitigation Plan (LHMP)! Hazard Mitigation Plans aim to develop long-term strategies for protecting people and property from future hazard events. Hazard mitigation is the effort to reduce loss of life and property damage by lessening the impact of safety hazard events or disasters. This is accomplished by identifying risks and vulnerabilities associated with natural and other risks. Hazard mitigation is most effective when implemented through a strategic, comprehensive, and long-term Hazard Mitigation Plan, which are reviewed and updated every 5 years. A FEMA approved LHMP is a requirement for receiving certain FEMA assistance. The City of Montpelier, in collaboration with the Central Vermont Regional Planning Commission, has begun the LHMP update process and is looking for input from Montpelier residents to help identify the hazards that impact the City.

We're asking the community to respond to the following survey to help inform the LHMP:

<https://www.surveymonkey.com/r/MVGR8GD> Your input is greatly appreciated and will help reduce risks and damages from future hazards. The LHMP Committee is also still accepting members if you would like to assist with the planning! Applications can be found here: <https://www.montpelier-vt.org/CommitteeApplication>

COMMUNITY SERVICES UPDATES

Winter Ski Trails:

Winter trails continue to be in excellent condition. Montpelier Parks and Onion River Nordic Ski Club are working to maintain trails throughout Hubbard Park, the North Branch Park, the North Branch Nature Center, and in East Montpelier on either side of North Street.

The East Montpelier Trails are all on private property, please stay on groomed trails and park only in the designated areas. Thank you to the volunteers and willing landowners who are making this all possible.

For daily updates check the Parks facebook page at www.facebook.com/MontpelierParks. Maps can be found on the Parks web page at www.montpelier-vt.org/Parks

Hot Cocoa in the Park

Sponsored by The Montpelier Recreation Department and Onion River Outdoors.

Bring you Snowshoes, Cross Country Skies, or walking boots and join us for a socially distant time in the Park and enjoy the lit up trail to North Branch Nature Center with your family.

Onion River Outdoors will have a limited amount of snowshoes for demo. You can also rent cross country skies at their store in advance of the event.

Where: Montpelier Pool Parking Lot

When: Saturday, February 13, 2021

Time: 5:00-7:00 p.m.

Fee: Free Event

Masks and social distancing are required for this event.

Ice on Fire!

Ice on Fire! our Celebration of Deep Winter is not happening in it's traditional form this year, but AllTogetherNow! and The City of Montpelier's Parks staff are offering an alternative way for friends and families to enjoy the magic of Winter.

During school break, **February 20-March 2**, the community is invited to visit the Montpelier Recreation Field to enjoy walking a tree maze, sledding on the hillside, building a snow person village and more. The field will be decorated with banners and paths will be maintained for you to

walk amongst it all to enjoy with your family and friends. The Recreation Field is also the prime access point to the extensive trail system in North Branch Park. We ask that you maintain social distancing and mask wearing.

For more information and details you can visit our Facebook sites /[alltogethernowvt](#) and /[MontpelierParks](#). You can make a contribution to support our efforts on the [alltogethernowvt.org](#) website's donate button.

Tales of Montpelier's Trees

"Tales of Montpelier's Trees" is a geo-located audio journey that takes lets you see some of Montpelier's most wondrous trees through the eyes of Adz, the city arborist. During the walk you will encounter 4 different trees: a White Pine, a Gingko, a Green Ash, and a Balsam Fir. The full walk takes you through downtown Montpelier up to College Street and on to Hubbard Park. Each tree has its own audio-- a story or an observation that will begin to play when you enter its vicinity.

To listen,

- 1) Download the "Echoes" app on your phone (the logo is of black concentric circles)
- 2) Find and Download the walk called "Tales of Montpelier's Trees"

Once downloaded, a map with the tree locations will appear. Follow the map to the circles designating the trees. When you get near, audio will play.

Enjoy and reach out to Leila from The City of Montpelier Parks and Trees Department with any questions at: LFaulstich@montpelier-vt.org. Additionally, reach out if you would like access to the audio files without the walking.

Capital Kids Winter Break Day Camp (Licensed Childcare Camp 3501-M)

Montpelier Recreation is now accepting registration for its Capital Kinds Winter Break Day Camp, to run 2/22-2/26! More details including how to register can be found at: www.montpelier-vt.org/1186/After-School-Childcare.

Volunteer Request: AARP Tax-Aide Client Facilitators to do Client Intake and Document Scanning

AARP Foundation Tax-Aide provides free personal income tax counseling and tax preparation to middle- and low-income taxpayers, with special attention to those age 50 and older. AARP is seeking a Client Facilitator (CF) to work with the Local Coordinator/Shift Coordinator, perform check-in duties, provide an important first contact to the AARP Foundation Tax-Aide program for taxpayers and manage taxpayers' initial activities. Volunteers will serve at MSAC or other locations this year or next. The position requires compassionate and patient interaction with clients and ideally, some experience or comfort level with the process of digitizing and storing electronic files; something that will be new to all of us! To be sent a position description, ask questions or apply, contact msac@montpelier-vt.org or call 223-2518.

Volunteer Request: GMT Needs Community Rides Volunteer Drivers!

The Community Rides Volunteer Driver Program is a network of volunteer drivers managed through individual regional public transportation providers to offer cost effective transportation to community members in need of a ride. Volunteer drivers provide rides for individuals who live beyond the regular fixed-route bus service and who do not have access to a car. Many of those in need of transportation are seniors, individuals with disabilities, and Medicaid clients, who may be your neighbor, friend or close family member. By becoming a GMT volunteer driver, you can provide those in need with a ride to support their independence, health and quality of life. Washington County: (802) 262-6182 or DGallagher@RideGMT.com

MSAC Advisory Council Meeting

Monday, February 8 | 4:45—5:30 pm | Zoom

Agenda items will include: Class Financials and Enrollment Data Report. Draft minutes for January meeting and next agenda are on MSAC's Advisory Council page. To receive the Zoom link email msac@montpelier-vt.org.

“How to Use Zoom” Free Training with MSAC

Tuesday, Feb. 9 | 1 —2 pm (offered again on Thursday, Feb. 18 | 10—11 am)

Have you heard about Zoom but felt nervous or resistant to try it out? Have you had a frustrating time with it, or been using it and want to learn tips to improve your experience? MSAC Americorps member, Andrew Gribbin, will cover: turning your video and microphone on and off, changing your views and user-name, using the Chat function, Zoom etiquette and more. There will be time to practice and ask questions. To register for either, or learn about Zooming with your phone only, call Andrew at 262-6287 or email msac-amicorps@montpelier-vt.org.

FEAST Love Fest with Scudder Parker & Katie Trautz (Free poetry and music event!)

Friday, February 12, 1:00-1:30pm | Registration required

Join us by video or phone to soak up some special live music and poetry to celebrate this season of love. We would rather gather to bring you a feast of love, but during COVID, this is how we can do it! Feel free to reserve and come pick up FEAST To-go curbside lunch at the side entrance of MSAC (12:00-12:30) before logging on via phone or computer for music with local singer/fiddler, Katie Trautz (former MSAC instructor, and founder of Summit School of Traditional Music and Culture) and poetry with local poet, Scudder Parker (a FEAST volunteer). Mark your calendars to join us for a relaxing, uplifting and warming remote gathering. To get the video link or phone number to call, contact 262-6287 or email msac-amicorps@montpelier-vt.org. To reserve a hot to-go meal, call 262-6288. The menu is Roast Pork with Mustard Crust, Asparagus & Cabbage, Macaroni & Cheese, Apple Sauce.

FEAST TO-GO: Tuesdays & Fridays, 12-12:30 pm, served at 58 Barre St.

Seniors 60+, drive up to the side door of MSAC every Tuesday and Friday to receive your delicious, hot FEAST To-Go takeout meal. We have shifted to Curbside Pickup for your safety and ease. We'll have signs to remind you where to go. You can see our menu on our website. Please call to make your reservation: 262-6288 or email us at: feast@montpelier-vt.org.

FEAST To Go February Menu for Tuesdays/Fridays, [click here](#).

FEAST at Home (Meals on Wheels): Do you have an older adult in your life who needs more access to delicious, healthy food? Is there someone in your life who is struggling to eat more nutritionally? Let us know because we can help! Have them call the office to be connected to our robust (and yummy!) program. Call 262-6288 or email feast@montpelier-vt.org.

REMINDERS

Alternate Side Parking:

Getting the Message Out! Public Works has been posting messages on social media and on our web page informing residents of key changes, and directing readers to go the City website to look up specifics for where they typically park, whether that be during the daytime, evenings or both. Please feel free to email any questions or comments to Jasmine Benson @ jbenson@montpelier-vt.org.

DON'T FLUSH THAT:

Due to the public health crisis, not only is our city seeing a shortage on toilet paper, but many communities are as well. ***The Department of Public Works would like to remind everyone about what should NOT be flushed.*** Flushing the items listed below could cause sewer blockages, which could cause plugged and overflowing toilets, poorly draining sinks and showers, raw sewage backing up through floor drains and/or manholes overflowing onto the ground or into nearby surface waters, health hazards and nuisance odors, and this could result in increases in the City's maintenance costs and costly repair bills for involved residents.

The following items should NOT be flushed!

- Paper towels
- Baby wipes
- Moist towelettes
- Cosmetics and cosmetic wipes
- Cloth or paper napkins
- Shop towels
- Condoms
- Tampons and pads
- Diapers
- Cat litter
- Cigarette butts
- Dental floss
- Latex gloves
- Hypodermic needles
- Facial tissues
- Fats, oils or grease
- Clothing or rags
- Medications (pills or liquid)
- Bandages
- Cotton balls
- Food scrapes
- Swiffer pads
- Plastic of any kind

Police Department Lobby Currently Locked

Due to COVID 19 the Police Department's front lobby is currently locked. We ask that anyone needing police assistance to please contact MPD by telephone at 802-223-3445. If you are in person at the police department, please ring the front intercom and a dispatcher will speak directly to you. If you need an officer, an officer will come to the front of the police department to meet with you and assist you.

Social Worker Available to Residents

The Montpelier Police Department, the Barre City Police Department and Washington County Mental Health have partnered in providing an onsite social worker to help residents in crisis or needing an extra hand during the pandemic. Susan Lemere has been a friendly and effective presence in town for the last several month, but COVID has slowed our outreach efforts down. If you would like to speak to Susan please contact her through email at susan.lemere@wcmhs.org or contact MPD and we can assist with connecting you to Susan.

ORCA MEDIA

ORCA Media supports the City of Montpelier by live streaming videos to local TV and on YouTube. Recently, Comcast changed the government channel to 1085.
