Improve Public Health and Safety

COVID-19 Response- Updated:

Update: The State has released their newest [COVID-19 Modeling Report, from March 29th, 2022](#). According to their data, “cases of COVID-19 in Vermont remain stable, with confirmed cases averaging 131 per day over the last week. Reported infections remain flat across age groups. While the spread of the Omicron BA.2 variant and rise in international infections remain a cause for concern, cases across New England are rising slowly, increasing 11% over the past week... The subvariant is more prevalent in New England, where it makes up more than an estimated 70% of cases”. With this trend, please make sure you are taking steps to remain healthy and to protect yourself and others!

COVID-19 Reminders:

- The health department now recommends that people who test positive isolate for five days, with the caveat that if you still have symptoms after completing isolation, you might choose to take extra precautions such as wearing a mask, which helps protect you and the people around you from getting or spreading COVID-19. More information can be found here: <https://www.healthvermont.gov/covid-19/symptoms-sickness>
- **Keep up to date with CDC Recommendations!** You can find the CDC’s updates regarding COVID-19 on their website [here](#). They have released an updated chart regarding their quarantine and isolation guidelines [here](#).
- **It is very important that all who are eligible get vaccinated-** it’s never too late! [Find vaccination clinics here](#), or call your preferred pharmacy.

Public Lockers

Council will take up the conversation about public lockers at an upcoming April Council Meeting. To give more context about the request, since 2019 or before, the Homelessness Task Force and members of the Montpelier community experiencing homelessness have been advocating for publically accessible lockers. Lockers would be used to allow those living without shelter a secure space to store valuables and belongings. In response to this, City staff decided, based on Council priorities, to focus on some short-term projects that could assist those experiencing homelessness, and to readdress the locker issue. City Staff discussed many location options for lockers and worked through policies that could assist in keeping the lockers safe and secure for all. City staff gained approval from the Design Review Committee on February 22nd to locate lockers behind the Rec Center at 55 Barre St, and will be seeking approval or feedback from Council during the upcoming meeting. Benefits of the Barre St. location are that it is out of the floodplain, gives privacy (therefore dignity) to those using the lockers while still being visible from both Barre Street and Stone Cutters Way, it's well lit, close to downtown, and requires no additional construction.

Other locations that staff discussed were by City Hall, which was rejected because City Hall is in the floodplain, and structures cannot be built underneath fire escapes or blocking ADA ramps- which takes the back of City Hall out of consideration. Other locations discussed included the Blanchard lot, which was also rejected as it would take parking spaces offline, would disrupt snow removal/storage, and would require considerable infrastructure being built to support the lockers. Staff looks forward to the upcoming conversation!

Guertin Park structure:

As mentioned last meeting, the Guertin Park structure is now the location of the highest number of Police and Fire/EMS calls. It is also the source of numerous public complaints related to observed behavior. Staff recommends removing this structure when conditions allow. We do not, yet, have a recommended new location, and are not certain we will recommend a new location. This will be on the April 13 Council agenda.

The Homelessness Task Force is hosting a special meeting on April 7th about this topic, 6:30pm in the Council Chambers.

Regional Dispatch Infrastructure:

Public Safety teams in Montpelier and Barre continue to work toward implementation of the Televate plan created by CVPSA. A full update on these efforts will be provided to the Barre City Council on April 12th and the Montpelier City Council on April 13th. The Governor's budget includes \$11-\$14M for regional dispatch systems. City and CVPSA officials are advocating for \$3.2-\$4M to build out the Central Vermont system as per the Televate plan.

Practice Good Environmental Stewardship

Provide Responsible and Engaged Government

Pending Legal

- *Ferry, et al v. City of Montpelier.* Judge Robert Mello dismissed the case today on the merits. This was the challenge to the city's non-citizen voting charter amendment. The City is represented by Attorneys Michael Tarrant, Kimberly Devine, and Alexandra Spring.
- *Appeal of Zoning Permit.* Neighbors have appealed DRB approval of a permit to move a barn structure. City is represented by Attorney David Rugh. We are monitoring the case. Recent filings by appellants have challenged the validity of sections of the city's zoning ordinance.
- *Abdo Banfield v. City of Montpelier.* Appeal of DRB determination upholding decision of the Zoning Administrator. City is represented by Attorney David Rugh.

Create More Housing

203 Country Club Road (Elk's Club)

Staff is assembling the comments, working on finalizing the purchase, meeting with the Hub, and preparing a recommended outline for the 4/13 Council meeting.

Montpelier Parks & Trees Division updates/events

Montpelier Awarded VOREC Grant for \$213,000

The Montpelier Parks Department was awarded \$213,000 through the "Vermont Outdoor Recreation Economic Collaborative" (VOREC) program. This funding will support the work we're doing around leveraging outdoor recreation for economic development in Montpelier. Projects will include connecting downtown to our trail network, marketing/promotion, and employing local youth through our Montpelier Youth Conservation Corps (MYCC) to accomplish projects that will promote economic development through outdoor recreation. Stay tuned for more information on how this grant will impact our community.

Registration Still Open for FEAST Farm Camp

At Feast Farm Camp we will immerse ourselves in the daily cycles of farming, helping to plant, harvest and cook our way through the farm. Together we will learn about equitable food systems and food justice. We will also explore the surrounding ecosystems and learn about the biodiversity that helps support the food we eat!

In 2022, Feast Farm Camp will be offered for six weeks July 11-August 19, Monday - Friday, 7:45am-12pm for kids ages 6-12, or entering grades 1-6. We will have two groups, Fritillaries (entering grades 1-3) and Swallowtails (entering grades 4-6). We have room for up to 8 kids per group. There is also an option for children to be transported to the Montpelier Pool every afternoon for half day of Capital Kids Day Camp (register and pay separately [here](#)). *Option for children to be transported to the Montpelier Pool every afternoon for half day of Capital Kids Day Camp (register and pay separately through the Recreation Department).

Registration form can be found at <https://www.montpelier-vt.org/1236/FEAST-Farm-Camp>

Montpelier Recreation Division updates/events

Removal of Ice Rink: The ice rink on the statehouse lawn will be removed starting next week.

2022 Egg Hunt is on April 16th!

Recreation's Capital Kids Summer Day Camp Registration is open

Click [here](#) for info and registration form, which includes options for signing up for FEAST Farm Camp as well. The Community Services / Recreation office is also processing registration for Mountaineers baseball camp again this year.

Spring Tennis and Pickleball Lessons

Tennis and Pickleball updates coming soon; stay tuned here, on Facebook and elsewhere!

Montpelier Senior Activity Center Division updates/events

Spring Classes Start April 4th

MSAC has 32 class series options starting in early April, plus 9 drop-in groups for Spring. Online, in-person and hybrid options, most open to teens and younger adults, too. Financial aid available to all members. Learn more at <https://www.montpelier-vt.org/751/Classes>.

March FEAST Report: submitted by Kim Myers, FEAST Program Manager

I wanted to share with you all that we served a WHOPPING 1,998 meals this month! This number is about 400-700 more meals than what our average has been for as far back as I can find. Shalonda and her kitchen volunteers are making magic in the kitchen. Our drivers are spreading joy. Maddie is back here doing a TON of heavy lifting for this program. What a dream team. We are really growing this program and serving so many people. We are also keeping our eyes on this growth and keeping in mind that we don't want to grow too fast. We may soon have to put folks on hold while we find 4 new drivers for a new route. We will also need to reevaluate our food buying budget because it's feeling a little tight at the moment with all of the new meals. We could use more kitchen volunteers, so please help us spread the word!

FEAST Farm Bakesale April

Feast Farm is a collaborative farm run by the Community Services Department that grows food for the Senior Meals Program, the Montpelier Food Pantry, and the Schools

Backpack Program. This year Feast Farm is getting over 450 chicken! To help pay for the chicken, we are having a bake sale on **Tuesday, April 5th from 11:30-1:30 in front of City Hall**. Pass by (and tell your friends!) for a mouth-watering buttery danish or heavenly soft slice of pumpkin pie.

Montpelier Roxbury School Meeting with MSAC

Wednesday, April 6 | 1:30pm on Zoom or 5pm MSAC Monday, April 11 | 10am on Zoom or 2:30pm MSAC Join in a process that effectively captures the voices of students and community members to gather information about what you think an exceptional education within our schools looks like. This includes questions such as how to ensure all students from Roxbury Village School and Union Elementary through Montpelier High School have equitable access to resources and a diverse and culturally responsive curriculum while maintaining the district’s financial sustainability. Please email Tina Muncy, who will facilitate these meetings, at tmuncy@myfairpoint.net if you wish to attend one of these sessions.

FEAST Curbside Lunches: We are still doing Curbside Pickup meals on Tuesdays and Fridays 12-12:30pm at the side entrance

 **Build and Maintain Sustainable Infrastructure**

Grout Road Bridge: The project is to be constructed in the summer of 2022. This project is funded by a Class II town highway structures grant in the amount of \$175,000 and an FY23 improvement bond of approximately \$225,000. The Department of Public Works engineering staff has asked for a proposal from VHB, the engineering firm who completed the initial design, for a proposal to complete the necessary contract documents, and to obtain any permits required for the project. The completion of this project is expected prior to the winter of 2022.

LED Street Light Conversion: Initially this project entailed converting all the lights in the downtown to LED and fixing major wiring issues, poles bases, performing long deferred maintenance. This winter, twenty-seven of the lights were not functional in the immediate downtown. Due to safety concerns, a contractor was solicited to evaluate the lighting and it was determined that non-functioning lights along with the remaining downtown lights could be converted to LED though the much lower cost of just bulb replacement. This project will now be expanded to also convert lights along Bailey Ave, the Bike Path between the Montpelier High School and the Water Resource Recovery Facility, Stonecutters Way, Pioneer Street Bridge and Route 2/302 roundabout, as well as correct any structural issues of the pole bases and rewiring as needed based on field testing. After completion of the LED conversion of street lights any remaining bond funds would be used for improvements to signalized intersections.

Marvin Street Slope: The slope along Marvin Street between College Street and Bingham Street has been slowly dropping toward the ravine on the North side of the Street. DPW has been monitoring the slope for approximately five years. After consultation with a geotechnical engineering firm, it was determined that the most economical solution to the issue is to stabilize the slope using a non-intrusive method of installing soil nails. This type of work is ideal for this location and will allow for the contractor to perform all work from the existing paved road with support from DPW. DPW anticipates completing the project in the summer of 2022.

Paving Program FY23: This year's paving program will include two new processes which will help DPW to preserve and improve the overall condition of the Montpelier Street network. The first new process is known as FOG seal which will preserve and extend the life of the pavement an additional 3-5 years. Though it may be counter-intuitive to invest in streets that are not in poor condition, it is an important component in pavement management and will reduce the cost to taxpayers over the long term. Streets scheduled to be treated with the FOG seal are as follows: *College Street, National Life Drive, Northfield Street* and the parking lot at the Water Treatment Plant.

The other new treatment scheduled for this year is known as cold-in place recycling which is similar to the traditional mill and fill (grind and pave), however it allows for the entire pavement depth to be restored. The existing pavement is ground up and used to create the rehabilitated roadway by adding asphalt liquids to create a new pavement. After the process is complete, each street gets overlaid with a thin layer of asphalt. Streets scheduled to be treated with the cold-in place recycling are as follows: *Main Street from the roundabout to Towne Hill Road, Phelps Street, Wheelock Street, Roberts Street, Pleasantview Street, Valerie Ave, and Blodgett Ave.* Work will begin after the July 4th, 2022 holiday with completion prior to the winter of 2022. Other streets that may be included with the contract but are dependent on bid pricing received include: *Hillside Avenue, Cliff Street, and Cummings Street.*

Paving Program FY22: *Westwood Drive* is scheduled to be reconstructed via a reclamation process of grinding the existing asphalt into gravel subbase, with new asphalt installed over it. This project is funded through the American Rescue Plan Act. The contractor for this project is ECI who was the low bidder for the FY22 paving program. The work is scheduled to start in the spring of 2022 with a completion date prior to July 1, 2022.

State Street CSO: The Department of Public works has hired Engineering Firm, Dufresne Group to finish the design plans to eliminate a siphon within the sewer main along State Street between the courthouse and the DMV. The design is nearing 50% completion with the project to be bid by the end of May. Bids will be opened by June with construction slated to start after the July 4, 2022 holiday. The project will also remove approximately 1 acre of stormwater that directly enters the sewer system. By removing the siphon and eliminating the amount of stormwater entering the sewer system, staff anticipates a significant reduction in the frequency and volume of CSO overflow events at CSO-01, located at the intersection of State St. and Taylor Street. Work is scheduled to be completed prior to the winter of 2022.

Phelps Street Sidewalk and storm drain improvements: Prior to and in conjunction with the cold- in place recycling project Phelps Street storm drains and sidewalks will be replaced. The storm drains on this street are in extremely poor condition. DPW will contract out the replacement of this section of storm lines using ARPA funds prior to July 1, 2022. Once the storm drain improvements have been completed, DPW will reconstruct the sidewalks with new asphalt curb and sidewalk. After the completion of both the storm drain project and the sidewalk replacement the street will be scheduled for re-paving. All work is scheduled to be completed prior to the winter of 2022.

Montpelier WRRF – Phase 2: DPW is working with engineering firm Brown and Caldwell on the Preliminary Engineering Report (PER) for the second phase of improvements at the Water Resource Recovery Facility. These reports evaluate alternatives for equipment and identify any potential environmental impacts. The PER is expected to be completed in mid-April and final design is planned to begin toward the end of May, 2022. The project includes drying of bio-solids, which will reduce landfill disposal costs, rehabilitation of the secondary clarifiers (settling tanks) and new odor control equipment. Construction is expected to start in the Spring of 2023 with project completion in the summer of 2024.

Employment and Personnel Announcements

April Work Anniversaries! New

Here is everyone hired in a past April, and their tenure with the City. Thank you everyone for your hard work and dedication! Special shout out to our milestone anniversary, Deputy Chief Eric Nordenson with 25 years of service!

Name	Hire Date	2022 Service Anniversary
APRIL		
John Leu	4/30/2019	3
Paul Grant	4/26/2016	6
Sid Cushing	4/8/2015	7
Adam Drake	4/9/2013	9
Michael Farnham	4/6/2004	18
Michelle Amaral	4/1/1999	23
Eric Nordenson	4/30/1997	25

Community and Economic Development Specialist: We have identified an excellent final candidate who has accepted the conditional offer. Once the background check is complete we will make an announcement, probably next week.

Municipal Job Openings

Visit the City website for more information: <https://www.montpelier-vt.org/Jobs.aspx>

Montpelier Youth Conservation Crew (MYCC) Crew Leader: The MYCC crew leaders will be the main supervisors for our MYCC crews. Each crew leader will be in charge of one crew throughout each session and will rotate throughout the sites along with the crew. The crew leader will set expectations, be a mentor, model a good work ethic, and facilitate reflection activities. In addition to helping guide the workflow, crew leaders will be the main point of contact for their crews for questions, concerns, and any issues that may arise. The work at each site will be directed by a site leader. The crew leader will work with the site leader to guide MYCC members in performing the tasks, while empowering them to deepen their skills as environmental leaders. This job is 32-hours per week, Tuesday through Friday, 8am - 4:30pm and will span June 7 - August 19. The crew leader will start two weeks before members, and then lead three 3-week sessions for a total of 10 weeks. The crew leaders will be paid \$18/hour. The City of Montpelier is an equal-opportunity employer. To apply, please email a resume, cover letter, and two professional references to Jacqueline Huettenmoser at jhuettenmoser@montpelier-vt.org. We will begin reviewing applications in mid-March. Positions will be open until filled.

Feast Farm - Farm Camp Lead Educator: We are seeking a Lead Educator to teach six weeks of onsite day camp. The Lead Educator will work alongside the Farm Manager, the AmeriCorps Farm Camp Coordinator, and Assistant Counselors to develop and implement the program through planning weekly activities, cultivating a safe and enriching environment, and fostering meaningful relationships with the children. Willingness and capability to work outdoors in all weather conditions with children is a key component of this position. Specific responsibilities include:

- Designing the curriculum and flow of weekly activities in collaboration with other staff.
- Leading developmentally-appropriate activities and engaging in play-based learning.
- Participating directly with campers in lessons, activities, farm chores, outdoor cooking, ecology, and games while fostering an atmosphere of inclusivity and kindness.
- Facilitation of training/mentoring of counselor(s).
- Participation in camp staff meetings, daily set-ups and debriefs.
- Being the main “face” of camp for parents/guardians. Communicating with parents/guardians on a regular basis via email, phone, and face-to-face.
- Helping to share the responsibility of transporting some children to Capital Kids Day Camp.

Employment dates/times: Planning/preparation/training weeks: June 27 - July 8, Monday-Friday, time TBD Camp weeks: July 11 - August 19, Monday-Friday, 7:15am - 1:00pm. To apply, please email a resume, cover letter, and two professional references to Jacqueline Huettenmoser at jhuettenmoser@montpelier-vt.org. We will begin reviewing applications in mid-March. Positions will be open until filled.

Feast Farm - Farm Camp Counselor: We are seeking Camp Counselors to teach six weeks of onsite day camp. The Camp Counselors will work alongside the Farm Manager,

the Lead Educator, and the AmeriCorps Farm Camp Coordinator to develop and implement this program through planning weekly activities, cultivating a safe and enriching environment, and fostering meaningful relationships with the children. Willingness and capability to work outdoors in all weather conditions with children is a key component. Specific responsibilities include:

- Leading developmentally-appropriate activities and engaging in play-based learning.
- Participating directly with campers in lessons, activities, farm chores, outdoor cooking, ecology, and games while fostering an atmosphere of inclusivity and kindness.
- Direct supervision of campers and facilitation of conflict resolution.
- Participation in camp staff meetings, daily set-ups and debriefs.
- Communicating with parents/guardians at drop-off and pick-up.
- Helping to share responsibility of transporting some children to Capital Kids Day Camp.

Employment dates/times: Planning/preparation/training weeks: July 5 - July 8, Monday-Friday, time TBD Camp weeks: July 11 - August 19, Monday-Friday, 7:15am - 1:00pm. To apply, please email a resume, cover letter, and two professional references to Jacqueline Huettenmoser at jhuettenmoser@montpelier-vt.org. We will begin reviewing applications in mid-March. Positions will be open until filled.

Communications and Development Coordinator with the Community Services

Department: Full-time position provides communications and fundraising leadership to the City of Montpelier's three divisions of Montpelier Senior Activity Center, Recreation, and Parks & Trees. Develops and implements strategy to financially support and market programs, facilities and services. Enhances branding and engagement across the age spectrum for diverse, high-demand and emerging services. Applicants should be tech-savvy, flexible and team-oriented with excellent fundraising and communication skills (written and oral), and ability to meet regular deadlines and supervise volunteers. Updated job description, hiring timeline and more details coming soon. To inquire, email <mailto:slipton@montpelier-vt.org>. EOE

FT Police Department- Patrol Officers: The Patrol Officer is responsible for the efficient performance of required duties in conformance with the laws and the Department's rules, regulations, and policies. Duties shall consist of, but are not necessarily limited to, a number of general police responsibilities necessarily necessary to the stability and safety of the community. For applications and more information, click [here](#) or email recruiting@montpelier-vt.org. We have one more open officer position.

Seasonal Park/Recreation Maintenance Staff: Spring-Summer-Fall

Mowing, driving tractors, maintaining sports fields, keeping parks and facilities clean. This is a busy, hands-on physical job that requires some heavy lifting and being on your feet for long periods of time. Visit <https://www.montpelier-vt.org/869/Employment> for more information about the positions available and how to apply. Or call 225-8699, 9am-4pm to inquire.

Summer Pool Staff: The Montpelier Recreation Department is seeking seasonal pool staff for the municipal swimming pool this summer. Full and part-time positions are available. Staff will start work June 11 - August 21. There will be pre-season training prior

to the start of the pool season. Training dates to be announced. Responsibilities would include supervising patron activity in and around the swimming pool, teaching swimming lessons, and front desk responsibilities. Applicants who do not hold a current Lifeguard certification could be accepted contingent on successful completion of a lifeguard course prior to the pool opening date, and reimbursement would be paid at end of season. Please submit a resume and cover letter describing your interest and qualifications. Please submit to amcmullen2@montpelier-vt.org or Montpelier Recreation Department, 58 Barre Street, Montpelier, VT 05602. Please submit applications by March 31.

Pt Emergency Services Dispatcher/Clerk: The Montpelier Police Department is seeking applications for the position of Emergency Dispatcher/Clerk. This part-time career position involves the appropriate call handling of both emergency and non-emergency requests for police, fire, and emergency medical services, and determining the nature and urgency of those calls. The position requires a considerable degree of initiative and independent judgment within procedural boundaries in responding to emergency and non-emergency situations. The dispatcher is also the first point of contact for those that come to the police station seeking assistance.

FT Streets Maintenance Worker Truck Driver, Level 1: Montpelier, Vermont has a current opening for a Street Maintenance worker within the Streets Division of Public Works. The person filling this position will work with a streets crew performing skilled work in winter operations, construction, maintenance and repair of streets, drainage culverts, sidewalks, signage, and other appurtenances in the City Right of Way.

FT Water/Sewer Truck Driver Level 1: Montpelier, Vermont has a current opening in the Water-Sewer Division of Public Works. The person filling this position will work with a water and sewer crew performing skilled work in the construction, maintenance and repair of water distribution, raw water distribution, wastewater collection and wastewater transmission systems.

Reminders

Social Worker Available to Residents

The Montpelier Police Department, the Barre City Police Department and Washington County Mental Health have partnered in providing an onsite social worker to help residents in crisis or needing an extra hand during the pandemic. If you would like to speak to Susan please contact her through email at: susan.lemere@wcmhs.org or contact MPD and we can assist with connecting you to Susan.

ORCA MEDIA

ORCA Media supports the City of Montpelier by live streaming videos to local TV and on YouTube. Recently, Comcast changed the government channel to 1085.

City-wide Reappraisal Property Inspections Continue!

We have begun the process of a city-wide reappraisal of all real property. Representatives from the New England Municipal Consultants will visit each property in the city to gather data. The inspection process will start in late 2021 and continue through the spring of 2023. NEMC will mail notices to property owners in advance of conducting inspections.

Stump Dump:

Need to get rid of lawn debris, stumps, and branches? The City Stump Dump is open! Monday through Friday, 8:00 AM to 3:00 PM. Please call the City Garage at 802-223-9510 before going to dump to approve of your items!

Trash Receptacles:

Please, always, place trash receptacles for pick up at the corner of the driveway, behind the sidewalk. If you do not have a sidewalk on your street, please place receptacles on the corner of the drive, in the street closest to the curb. (Not obstructing traffic). Please do not place receptacles within the sidewalk. Questions? Please contact Jasmine Benson with DPW at 802-223-9508.

Thank you,

William Fraser, City Manager
