RE: Downtown Designation Renewal for the City of Montpelier

Dear Mike,

I am pleased to provide you with formal notification that, at its meeting on September 28, 2015, the Downtown Development Board found that your application met the statutory requirements for Downtown Designation Renewal (24 V.S.A. Chapter 76A), and renewed the Downtown Designation for the City of Montpelier. On behalf of the Vermont Downtown Development Board I want to congratulate you, and welcome your ongoing participation in this program. We hope it will continue to help you in the work you are doing to make Montpelier a vibrant downtown.

The designated area will remain eligible for all benefits available to a Designated Downtown for the next 5 years. At the end of that 5-year period, in August 2020, you will need to request renewal of designation. A reminder will be sent to you 6 months prior to your renewal date.

Again, it is a pleasure to recognize the renewal of Downtown Designation for the City of Montpelier.

Sincerely,

Noelle MacKay, Commissioner
Department of Housing and Community Development

CC: Ashley Witzemberger, Director of Montpelier Alive
Central Vermont Regional Planning Commission
